6 Fog lamp insert

P82.10-2833-06

	Remove/install		
1	Remove cover (1) from bumper	Do not break retaining lugs.	
2	Remove bulb housing (2)	To unlock, rotate counterclockwise. **Installation:** Ensure that the locking device has locked securely.	
3	Remove fog lamp insert (6) from housing	Installation wedge	*115589035900
4	Disconnect connector (4)		
5	Remove bulb on the back of the fog lamp insert (6)	Do not hold the bulb with bare fingers, as fingerprints bake and leave behind opaqueness on the bulb. Use a soft, lint-free cloth. Lock securely.	
6	Install in the reverse order
